IMPACT EVENTS TENT RENTAL

This professional pop up tent is a serious party tent. The frame will last event after event. We know that an event organizer must have something strong and easy and that is exactly what our largest and strongest pop up tent is. It gives you more of everything you want in a canopy; more protection, more durability, more strength, more weight, and resistance to salt air and water corrosion.

10' x 20' professional pop up tent RENTAL: \$150-DAY

The garden canopy maximizes your outdoor space and helps create a soothing ambience. It will provide the shade you need plus protection from bugs for your total comfort. This durable garden canopy is made from 3M Scotch-guarded 100% polyester.

10' X 10' Instant Garden Canopy Pop up Tent RENTAL: \$100-DAY

Our pop-up tents are built with industrial grade clear coated steel. These have a patented frame design that creates true high tech protection. These tents are great for the marketplace and are amazingly resistant to salt air and water corrosion.
